Subject: Re: to all members of this committee and Township Council

The lack of cultural and religious diversity is appalling and unacceptable. I am not a christian.

To have a member constantly supporting their own beliefs and have a visitor vocally declare their personal religious belief is beyond acceptability in modern culture.

I hereby declare that I resign from this committee.

That a mayor sits on this committee run by them and their spouse is a blatant bias against

diversity and multiculturalism.

Any comment can be made to my attorney. Their name is available in written correspondence.

Martina Jol, RN, BScn, MEd
