

## APPENDIX B

### Drop-In Programs

#### 2019

Drop-In programs began in the West Lincoln Community Centre in Spring 2019 with a basic schedule of program options. Through the summer months of 2019, the schedule of drop-in programs was reduced to accommodate the Summer Camp program in the facility and with anticipated lower participation rates. In the Fall of 2019, an increased schedule of Drop-In programs was offered and attendance was good.

#### 2020

The Winter 2020 session had shown a dramatic increase in attendance before the closures due to Covid-19 in March of 2020. Covid-19 closures and restrictions prevented the offering of Drop-In programming for the remainder of 2020.

#### 2021

Through 2021, Covid-19 continued to restrict attempts at offering Drop-In programming.

#### 2022

In February of 2022, Drop-In programming resumed with a moderate schedule and attendance was fair. In Spring of 2022 a more robust Drop-In program schedule was offered and attendance suggested participants were being cautious with a return to in-person programs. In the Summer of 2022, a reduced Drop-In schedule was offered due to the Summer Camp program, staffing difficulties and anticipated lower participation. Attendance, as represented by revenue showed an increase, however, it should be noted that the purchase of discount cards during this time period is represented in the revenue but does not necessarily show attendance. The Drop-In schedule for the Fall of 2022 was similar to the Spring and attendance, as represented by revenue was moderate. Again, this could be due to previously purchased discount cards.

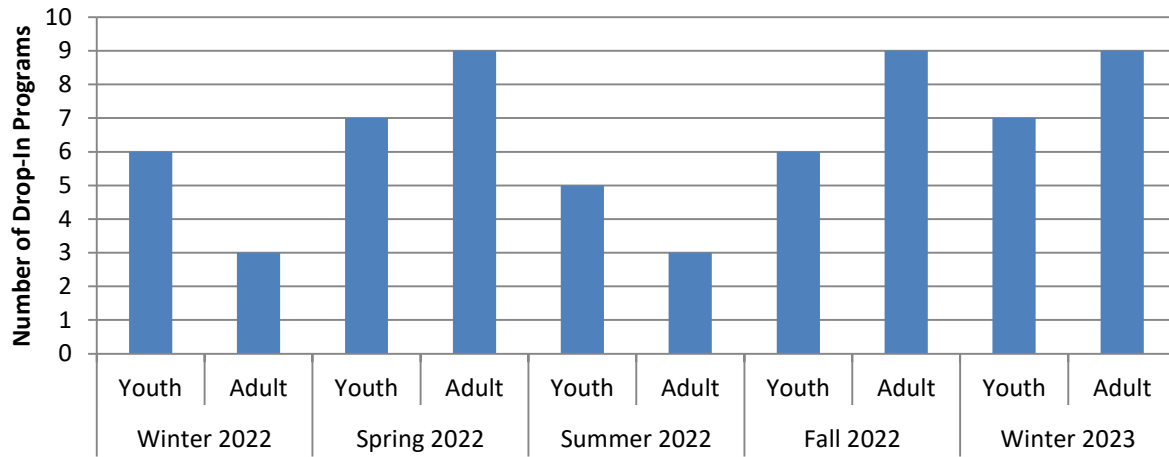

#### 2023

2023 has thus far seen a continued increase in participation in Drop-In Programming.
