Date: April 24, 2023
Subject: Appointment of John Bartol as Chief Building Official

Dear Council,

John Bartol started his current position as Building Inspector with the Township of West Lincoln in May of 2021. Throughout this time, John has shown an overwhelming amount of knowledge for both the Building and By-law aspects of this position.

As a result of John's drive and knowledge, By-law 2023-31 is now being brought forward to appoint John Bartol as the new Chief Building Official for the Township of West Lincoln. John will be taking over this position from our current Deputy Chief Building Official, John Schonewille, who has been with the Township since October of 2019.

John Bartol will begin his new role as Chief Building Official starting on May 1st, 2023.

Respectfully Submitted,

Brian Treble, MCIP, RPP
Director of Planning and Building
