Q5 In 2024, the average assessment for a single-family home in the Township of West Lincoln was \$388,600 (based on a 2016 assessment date). Total property taxes totaled \$5,160 for such a property, with the urban area of the Township paying an additional \$72 for sidewalks and streetlights, for a total of \$5,232. The Township keeps 33% of the total property taxes collected to provide municipal services, or \$1,689 and \$1,761 respectively. Overall, how would you rate the value you are receiving in municipal services from your tax dollars?

1	I don't receive any of the services where we live yet I have significantly high property tax.	1/10/2025 3:56 PM
2	have only been a resident for 1 year. My only complaint is the flies and smell of manure. You need to do something about this.	1/10/2025 1:48 PM
3	Council is biased	1/10/2025 1:01 PM
4	Every year taxes keep going up	1/9/2025 4:28 PM
5	No concerns except the taxes we pay are very high	1/9/2025 1:33 PM
6	The Township does a good job with the funds available.	1/9/2025 11:18 AM
7	Most Services have been satisfactory, however the condition of our road is horrendous, and has cost us thousands in car repairs. The road should be paved, and STOP wasting time and tax payers money on stone and grading that doesn't last more that 3 days.	1/9/2025 9:10 AM
8	I have no public transit, no professional fire department, no indoor swimming pool, no friendly outdoor spaces, no outdoor tennis or pickleball courts... As a condo corp. we own our own street, lights, sewers, and receive no snow removal. But we get no break in our taxes.	1/9/2025 8:44 AM
9	Goods and services don't match what we're paying.	1/8/2025 10:02 PM
10	Taxes are far too high for value recieved.	1/8/2025 6:05 PM
11	Feels like even though we have a community centre not a lot is offered for recreation or cancelled due to lack of involvement or awareness. If I want to participate in an exercise class I find myself driving to peach king centre	1/8/2025 4:43 PM
12	The only service I received was road clearing and garbage/recycling (which is regional, to town based).	1/8/2025 3:47 PM
13	In some ways I see the township making wise choices with the money like the roads, sidewalk, and watermain work done in the Killins area and the walkway by Ellis to Canborough, but in other ways, I see maintenance not being done well or properly when it comes to the gardens on the road boulevards and at parks. I would also like to see more funds, time, and energy focusing on repairs to roads and walkways and less on bureaucracy and by-laws	1/8/2025 2:49 PM
14	It is high compared to friends taxes in other areas who get more for their tax dollars.	1/8/2025 1:45 PM
15	We still live on a dirt road, no car wash in town, no transportation for seniors just in our town, internet/cell service is terrible in Niagara region.	1/8/2025 11:04 AM
16	We are in need of sewer and waterlines so that more houses can be built. Also affordable housing is desperately needed in this community.	1/7/2025 6:40 PM
17	I am rural and have to have water shipped in, roads not always plowed timely in winter.	1/7/2025 6:14 PM
18	We have very high property taxes and poorly plowed streets, very few amenities like tennis courts, the sign in town that identifies our municipality is spelled with a lower case S, the town does not draw businesses that add to the local culture or community.	1/7/2025 9:54 AM
19	I've lived on a gravel road for 29 years	1/6/2025 8:04 PM
20	West Lincoln is well taken care of, with a great community center.	1/6/2025 8:02 PM
21	I do not use any municipal services other than police. I am not on sewer or town services for water. I truck my water. I am on septic and for garbage removal I take care of it with sea service provider	1/6/2025 6:02 PM
22	Town does a great job on snow removal and fire protection services	1/6/2025 6:01 PM

## Township of West Lincoln 2025 Budget Survey

T-01-2025  
SCHEDULE G

23	Owning a farm and reviving the farm tax credit makes a huge impact on our property taxes. If it weren't for this, I suspect our taxes would be significantly higher than necessary given what our neighbours pay for a 1/2 acre plot of land with a single family home.	1/6/2025 4:31 PM
24	There is usually a timely response to the needs in my subdivision, for example-snow clearing. I have had a couple of occasions needing to contact the Public Works Department and have not received a timely response or a response at all.	1/2/2025 8:41 AM
25	I own a country property. Although the township employees do a great job, the taxes have been going up staeadily with large increases and the value is no longer there.	1/1/2025 3:36 PM
26	I live in rural West Lincoln. It appears that urban services are prioritized in recent years and rural services are reduced or cut to help in balancing the budget. My area was promised road improvements several decades ago and still have not become any closer to reality. Rural infrastructure improvements have been scaled back and/or cancelled in recent years in order to complete major expenditures in the urban area that seem to get priority.	12/26/2024 9:42 AM
27	I think some of the money could be used in a better way	12/26/2024 12:03 AM
28	Rural road maintenance and winter cleaning.	12/25/2024 12:51 PM
29	We get lack of services for tax rates paid. Bi-monthly garbage pickup. Dirt roads, no water, sewer. What value am I getting? Nothing worth the cost. Neighbours who do not pay their fair share because their homes are still assessed at 1930 value yet have reno's without permits.	12/22/2024 1:41 PM
30	I feel basics seem covered with room for improvements	12/21/2024 2:09 PM
31	Always room to improve.	12/21/2024 10:28 AM
32	More sidewalks	12/21/2024 9:55 AM
33	I live in a condo community where the roads, sidewalks, lighting are privately owned. We pay for our own snow removal & road repairs. I believe we do not receive property tax discounts for this.	12/21/2024 8:17 AM
34	Our lane-way used to get plowed in the winter and graded in the summer, last couple years it has not.	12/17/2024 11:10 PM
35	Snowclearing roads and sidewalks. Use of the community centre. Canada Day celebrations.	12/17/2024 10:33 PM
36	Living in the country, it does not seem like we get many services. Besides snow removal and road maintenance, the municipal services are limited. Recreation services are centred in Smithville, so it is harder to access because of the distance. I do love and appreciate our local library branches and everything they do.	12/17/2024 10:06 PM
37	Our streets are kept clean, parks are kept neat, employees look like they are acutally working when out and about. good response when a letter of concern has been submitted.	12/17/2024 5:16 PM
38	considering how little the Township actually retains it does a good job	12/17/2024 9:46 AM
39	Very pleased with the services received for the taxes I currently receive.	12/16/2024 11:26 AM
40	We live in the hamlet of Boyle and feel like we receive very little service here.	12/16/2024 5:27 AM
41	Too much money for the services received	12/14/2024 7:04 PM
42	Since 2012 I've seen numerous new subdivisions which burden the existing infrastructure. The developers need to be charged higher fees for the additional pressure on existing infrastructure.	12/14/2024 2:02 PM
43	Times are tough right now.	12/14/2024 9:00 AM
44	We see very little publicized about where our taxes go, except for street lights and roundabouts and other unnecessary things when the money could be used better, such as damaged roads.	12/13/2024 8:58 PM
45	Taxes are too high do not want a increase	12/13/2024 8:53 PM
46	love where we live and the support we receive	12/13/2024 4:21 PM
47	I have no complaints about services. I am curious about staff salaries.	12/13/2024 11:26 AM

## Q12 Keeping in mind the Township is not responsible for waste collection, recycling, transit, police, ambulance, schools, health care or social housing, do you have any additional comments you would like to be considered in preparation of West Lincoln's 2025 budget?

Answered: 36 Skipped: 90

#	RESPONSES	DATE
1	The budget is the most important decision Council makes on an annual basis. I hope the Councillors take time to review and ask questions and be willing to make difficult decisions. Thank you for the opportunity to provide comments. Please spend our money wisely.	1/9/2025 11:18 AM
2	If the municipality is not responsible for all those things, then what are they going to? \$5000 per year is crazy for property taxes! It would be awesome to have them go down. Stretch the budget and penny pinch things to have the funds go further rather than constantly raising by significant percentages.	1/8/2025 10:02 PM
3	Please consider expanding the arena and building an indoor pool	1/8/2025 4:43 PM
4	I feel we could be doing more for local residents and stopping region from taking so much \$ from our township. Roads, transportation, senior living options etc	1/8/2025 11:04 AM
5	Affordable housing Application costs for developing.	1/7/2025 6:40 PM
6	Recreation programs are important. Also, investment and zoning for a multi business plaza with an affordable grocery store would be great.	1/7/2025 1:27 PM
7	The baseball diamond by the community centre needs work and to be fixed.	1/6/2025 9:04 PM
8	Pave our roads and maintain our roads!! Our roads are disgusting.	1/6/2025 8:04 PM
9	Give yourselves a pay cut and the employees who actually work more money. Don't spend thousands of dollars on a party tent cause "it's in the budget". Give your employees a bonus	1/6/2025 7:34 PM
10	Reduce staffing at office. You are bloated. There is no reason why a small township requires the number of administrative personnel who are not in the office.	1/6/2025 6:02 PM
11	Lower taxes. Since we moved in taxes have been going up every year	1/6/2025 6:01 PM
12	Continuous increases to our taxes year after year is unacceptable. Balancing the budget doesn't mean much if all that is being done to achieve this is increasing the limit to which money can be spent. It's time to trim "the fat" and get back to the basics.	1/6/2025 4:31 PM
13	Do not enhance NRT service within West Lincoln. It is a very costly venture already, which I would prefer the township not be a part of at all, but I also do understand some people do need it.	1/1/2025 3:36 PM
14	I feel that the creation of additional senior staff positions in excess of 300,000/year prior to the actual discussion of the complete 2025 budget was inappropriate. West Lincoln has very little assesment growth for 2025 and this extra annual expense is going to increase taxes substantially when combined with other increases in operational costs. Residents were already told in 2024 that the 2025 budget process would be difficult. Staffing increases of this magnitude are not appropriate at this time. It was also unacceptable to quietly have these staff positions pre-approved and hiring move forward prior to discussion on the complete budget. I appreciate that we have a new CAO with new ideas, but Council and the CAO must not lose site of the increasing annual costs to operate the municipality with only negligible increases in assessment.	12/26/2024 9:42 AM
15	I would like the the Township to seriously consider the negative impacts building more houses in our community brings including but not limited to: more traffic, more bad drivers, rise of theft including cars, abuse of wonderful services provided by the Township, longer wait times for services, bigger classroom sizes. Yes we would like to welcome more people to West Lincoln,	12/25/2024 6:26 PM

Township of West Lincoln 2025 Budget Survey

however we can see the effects of building too much too quickly in the GTA and should do all we can to avoid such poor planning. People who live in West Lincoln understand that there aren't a lot of amenities because we live in a small community so we will have to drive to them. We enjoy the small towns, how safe they are, how clean and well maintained they are. We want to keep that. We do not need to expand into huge cities like Hamilton, Mississauga, Toronto, etc

16	What value do I get for my taxes then? West Lincoln provides next to nothing then. Pave my road.	12/22/2024 1:41 PM
17	Nothing comes to mind	12/21/2024 2:09 PM
18	Bike/walking trails	12/21/2024 10:28 AM
19	Just more of a focus on the soccer facilities to accommodate the growing interest and need.	12/17/2024 11:10 PM
20	None	12/17/2024 10:33 PM
21	Our library branches provide equitable access to knowledge and resources that should be accessible by everyone. The many workshops and programs our libraries provide for free should be expanded. They are the heartbeat of our community.	12/17/2024 10:06 PM
22	This Township has been spending a lot of money on roads, I think our roads are fine. I would like to see Caistor have more recreation. Also, need to pressure Region to have police patrol our roads more.	12/17/2024 6:18 PM
23	a dog park would be nice, perhaps random adult supervision at the skate board area to control and diminish bad lanuage and the leaving of garbage, (water bottles, etc)	12/17/2024 5:16 PM
24	Focus on modernizing and being efficient- use our tax dollars wisely. Stop the fixation on roads, there is more than that to our Township	12/17/2024 9:46 AM
25	Build a designated Senior Citizen Centre, much like in Grimsby, Winona and Stoney Creek. Thus creating more opportunities for Seniors to socialize and share common interests. Need more than just the Smithville Legion and programs at the WLCC.	12/16/2024 11:26 AM
26	Maintain funding for recreation and libraries as these are the only community building activities available for families. Too far for us to attend but necessary for any healthy community	12/16/2024 5:27 AM
27	Each town within Niagara region needs a stronger voice on regional council. The regional tax increases over the last 10 years is absolutely unacceptable.	12/14/2024 2:02 PM
28	More police services are needed here.	12/14/2024 9:00 AM
29	A deep dive into services and identify where more efficiencies, use of time and resources could lead to a reduction in cost. Increasing our industrial and commercial tax revenue and allowing the development of residential areas to move forward should be a top priority. I feel property standards needs to be on top of the radar. I am noticed a lack of standard on many rural properties.	12/14/2024 8:12 AM
30	Moderate tax increases are not a huge problem. However, increases of nearly 1000 dollars in a year is frankly ridiculous for how little we see from it	12/13/2024 8:58 PM
31	Please be responsible with tax dollars	12/13/2024 8:53 PM
32	Salary increases need to slow down from what I have seen in the news. People in our community are struggling to make ends meet. Leaders should not be taking more from them for themselves	12/13/2024 11:26 AM
33	Please keep your roll in the community simple.	12/13/2024 10:19 AM
34	No	12/13/2024 8:08 AM
35	Stop wasteful spending on rural luxury roads with a dozen or less homes jacking up taxes and pushing seniors out of the community.	12/12/2024 6:08 PM
36	make it an affordable community. we live here because we prefer to be rural and typically are self-sufficient people. Any increase should be focused on those in the urban boundry where individuals are focused on infrastructure services.	12/12/2024 1:12 PM
