Subject: FW: Fireworks Request June 28th

Hi Justin,

I have reviewed the request for the fireworks display on 4610 Sixteen Rd. I don't have any objections to the display, provided that there is not an open-air burning ban in place. If there is a ban due to dryness or air quality, the permission will be rescinded. I understand that this will be done on the property of a private residence (empty field owned by requestor) and not on public lands.

Thanks,

Tim
